

Coronavirus (COVID-19)

INFORMATION BULLETIN, OCTOBER 5, 2020

TO PARTNERS IN THE COMMUNITY AND IN CENTRES DE PÉDIATRIE SOCIALE EN COMMUNAUTÉ (COMMUNITY SOCIAL PEDIATRICS CENTRES)

1. Situation in the community in red zones (maximum alert)

Having certain regions move into the red zone is bringing its share of questions. The CPSCs (centres de pédiatrie sociale en communauté – community social pediatrics centres), the OCFs (organismes communautaires Famille - community organizations for families) (OCF) and HGCs (haltes-garderies communautaires - drop-in childcare services) are continuing their operations. The Ministère de la Famille has produced information signs for them designed to answer questions from the families that use their services. You can view them at:

[CPSC sign](#) [OCF/HGC sign](#)

2. Screening priorities

On September 28, 2020, the Ministère de la Santé and des Services sociaux announced that screening tests would be temporarily restricted to persons showing COVID-19 symptoms, persons who had been in close contact with anyone who had tested positive, and persons who had been called in for testing. This measure is intended to focus efforts on testing to identify more positive cases so that tracing can be done faster and outbreaks brought under better control.

3. Non-exhaustive list of suppliers

Here is a non-exhaustive list of suppliers of protective equipment (by type of equipment):

Company	Website	Telephone No.	Comments
Distribution industrielle GC*	www.distgc.com	418-622-6229	Masks
Duvernois	www.duvernois.com ¹	N/A	Disinfectant
Elsol	www.elsol.ca	514-633-1088	Hand disinfectant
Emballages Carrousel inc., Les/Carrousel Packaging Inc.	www.carrousel.ca	1-800-361-4206	Complete kits*

¹Can be reached only via the website

Coronavirus (COVID-19)

Company	Website	Telephone No.	Comments
