

# INFORMATION BULLETIN

April 12, 2022

TO EDUCATIONAL CHILDCARE PROVIDERS

## Useful documentation updates for childcare services

Please note that the [Educational childcare services in the context of COVID-19 pandemic](#) page has been updated to reflect current health guidelines and measures. This page provides links to various resources updated by the Ministère de la Santé et des services sociaux (MSSS) and by the Commission des normes, de l'équité, de la santé et de la sécurité du travail (CNESST).

For any questions about COVID-19 symptoms, please refer to [Symptoms, transmission and treatment](#).

In order to find out about the applicable conditions for COVID-19 testing at screening test centres, please see [Get a COVID-19 test](#).

Please refer to the [Isolation guidelines](#) to find out when self-isolation is required and, if necessary, what to do in the case of isolation. For isolation guidelines specifically for children, please refer to [Instructions for children \(COVID-19\)](#).

Preventive measures applicable to the childcare sector are found in the [CNESST Guide](#). To learn more about employers' responsibilities during COVID-19, please refer to the CNESST's [Questions and answers – COVID-19](#).

Finally, for a checklist summarizing the current recommendation for everyone, please refer to [Apprendre à vivre avec le virus, c'est d'abord demeurer prudent](#) (Learning to live with COVID starts with being careful).

## Distribution of rapid tests

We would like to inform you that rapid test boxes will be delivered in April according to the same terms and conditions as for previous deliveries. As soon as we know the timeline, you will be notified. Please go to [Rapid tests and how to get them](#) to find out the location of service points in the various regions.

*The Information Bulletin is a publication that provides periodic information updates for educational childcare providers during the pandemic. Be sure to always consult the latest version of the Bulletin because the information on a given topic will most likely be updated as the situation evolves.*
